

of SMBs in NZ have reported being targeted by a cyber-attack.

[Media One NZ](#)

Scenario 1: Security Foundations M365 Business Standard to M365 Business Premium

Upgrade your customers from M365 Business Standard to M365 Business Premium to simplify their business security with comprehensive endpoint protection, integrated identity and data security, and optimised threat management.

SMB Challenges

Security is a Top Concern: Over 60% of SMBs cite cyber security threats as a major risk but often lack the resources to tackle them effectively.¹

ROI-Driven Technology Investments Matter: 74% of SMBs prioritise technology investments that demonstrate measurable ROI while staying cost-effective.²

Compliance Pressure Is Intensifying: Stricter compliance standards like Essential 8 and SOCI expose SMBs to significant penalties and risks if not addressed.
