Dicker Data is New Zealand's leading technology distributor with over 30 years of local experience. Our experienced sales and presales teams are experts in their respective fields and they are dedicated to helping you tailor solutions to suit your clients' needs.

As a distributor, we exclusively service our valued partner base of thousands of Kiwi resellers. We pride ourselves on developing strong long-term relationships with our customers, and helping them grow. This customer-first approach means we are proactive in engaging with our resellers, and allows us to dynamically shift with changing market conditions.

Dicker Data distributes a portfolio of products from the world's leading technology vendors, including APC, Apple, Citrix, CommScope Ruckus, Dell Technologies, Hewlett Packard Enterprise, HP, Lenovo, Microsoft, and other tier 1 global brands. As the leading New Zealand distributor for many of these vendors, Dicker Data is dedicated to helping our partners deliver industry-leading solutions built on the world's best technologies.
